Scandinavian Modern flat weave rug in green and gold wool.

SA Scandinavian Modern all wool rug made with "rollakan" flat weave technique. A variety of colored threads are closely combined to create a fine heather affect. The dominant color is green with lighter shades gray, blue. A bold pattern is repeated in gold colored wool. Signed in one corner "NKT" and ends finished in braided fringe. The rug has just been professionally clean and is in excellent condition. Dimensions 82" x 61".
