Scandinavian modern wool flat weave rug with terra cotta ground.

A Scandinavian Modern all wool rug made with "rollakan" flat weave technique. A variety of colored threads are closely combined to create a fine heather affect. The dominant color is a terra cotta with lighter shades gold and red. A bold pattern is repeated in pale greens and brown colored wool. Some fringe is missing but the rug is in excellent condition and has just been professionally cleaned. Dimensions 8' 8" x 5' 10".
